Dear (b) (4) :

EPA has reviewed and approved (b) (4) product control measures for (b) (4). No further action is necessary at this time.

Please note that if your organization seeks to deviate from the approved product control measures, including dates of completion, it must notify EPA prior to doing so.

Good Afternoon – This matter popped up on my 30-day diary today, so I hope you will not mind my inquiring as to whether the EPA has had the chance to review and approve our PCM. Can you please advise?

I also note that (b) (4) will mark 60 days since the EPA's decision, and my client was hoping to have the PCM squared away before that date.

Thank you very much.

Regards,

(b) (4)

To Whom It May Concern:

I am attaching (b) (4) Non-Disputable Response Form, as requested in your (b) (4) (b) (4) letter.

I did utilize the Excel version of the form from the Energy Star website as you directed. That file, however, was quite glitchy and became so difficult to work with that the spreadsheet could not be opened to share by email. Accordingly, I am submitting the form in PDF format.  
Please let me know if you have any questions.

Regards,

(b) (4)
